## Praying Scripture Prayers

practical help inspiration

PRAYING GOD'S WORD INTO MY LIFE AND INTO THE LIVES OF OTHERS

### Praying Scripture Can Revitalize Your Prayer Life

as you believe every one of God's Words—then pray His words back to Him.

#### Does This Sound Familiar?

Do you pray so little, so poorly,  
and not very often?

Do your prayers often slip into repeated  
phrases?

Are you soon at a loss for words?

Is your prayer life lean and discouraging?

Yet, on a consistent basis, you want to pour  
out your love to the LORD, and intercede  
for family members and for others.

Books on prayer tell us why we need to  
pray. They say if we are too busy to pray,  
we are too busy. And they inspire us with  
amazing answers to prayer.

But all too soon after reading them, are you  
like me? Do you fall back into your  
unwanted routine of praying so little?

This book is a follow up to those books on  
prayer. It is not a book about prayer; it is  
**a book of prayers** based on Scripture.

**Scripture-based prayers** can put into words  
the love we have in our hearts for the Lord, and  
can help us express...

- our deepest longings, and
- the very longings God wants to fulfill.
